March 26-30, 2012

SPRING WORKSHOP DESCRIPTIONS

Campers ages 5-12, please join us on an exploration into visual art, performing art, or both! Parents, give your child the chance to work with, and learn from, a professional artist. Each of our workshops will introduce your child to an exciting and unique field of art!

- ❖ **Our morning workshop, *Masks and Movement!*** 9 AM-12 PM, brings campers into the world of theatre props and performance with Now or Never Theatre's Betsy Tobin. In this workshop, campers will create stage-worthy masks and learn how to bring them to life!
- ❖ **Our afternoon workshop, *Cartooning with Drew Litton!*** 1 PM-4 PM, transports campers to the fun-tastic world of cartooning. Nationally syndicated cartoonist, Drew Litton, will lead campers through an exploration of drawing, dreaming and dialogue. In this workshop campers will create their own graphic novel featuring characters of their own creation!
